Overcoming Money Hurdles to Build Your Dream Business

Ray Maniaci, an entrepreneur with a dream two decades in the making, is about to make his dream become reality. Despite his unwavering commitment, he faced struggles that many entrepreneurs encountered in the early stages.

The challenge was to find a solution that didn't rely solely on a bank loan, which seemed impossible for Ray—securing the needed funds without risking his stability. And the challenge went beyond money; he needed an effective way forward, a strategy that allowed him to advance his dream business while maintaining his current job that paid his bills. It was a juggling act between financial constraints and entrepreneurial aspirations.

The goal was clear: find a way to progress on his dream without compromising the stability of his present circumstances.

SOLUTION

Ray is thrilled about his journey, envisioning his success. Burns Funding, led by Peter J. Burns III, qualified Ray for a \$250,000 loan, supporting his entry into the IdeaPros program and amplifying his excitement. Using the extra line of credit, Burns Funding's team applies their exclusive Passive Income Method to establish, fund, and oversee various passive income assets. Ray's loan terms, crafted for success, require no down payment or "out-of-pocket" monthly fees. With IdeaPros and Burns Funding by his side, Ray is on track for an exceptional entrepreneurial victory.

Burns Funding Unique Funding Method assesses the applicant/borrower with the goal of securing a loan of \$200,000 or more. Out of the total loan amount, \$100,000 is allocated to cover the entry fee for the IdeaPros program. Utilizing the surplus line of credit, Burns Funding's team will initiate, fund, and manage various passive income assets employing the BF Proprietary Passive Income Method. Each loan comes with unique terms and conditions, and no down payment is necessary. Burns Funding and Peter J. Burns III act as guarantors for the entire loan amount.
